Disclaimer:

For your pending claims, Chicago Clearing Corporation (CCC) has provided recognized loss and estimated payouts. Recognized loss is CCC's calculation of your or your clients' total eligible damages based upon CCC's interpretation of the plan of allocation of any given settlement. Your recognized loss calculation is subject to change due to various factors such as claims that are deemed to be deficient or rejected by the administrator, changes in the plan of allocation, or changes in the interpretation of the plan of allocation by the court, the administrator or CCC. There is no guarantee the court will approve payment of your claims even if CCC calculates a recognized loss. A "0" recognized loss means that CCC does not calculate a recognized loss and you likely do not have a claim in the settlement. A "N/A" recognized loss means that the listed settlement does not have a plan of allocation, CCC has not devised the formula to calculate a recognized loss or CCC has not calculated your recognized loss as of the date of your report.

The estimated payouts are CCC's projected check amounts for claims filed on your or your clients' behalf. Your actual settlement payments will be a percentage of your recognized loss. CCC's prediction of the percentage payout of your recognized loss is based upon proprietary correlations and algorithms developed by CCC. The exact payment amount for your claims is unknown until the final distribution order is signed by the court.

CCC accepts no responsibility or liability of any kind for the accuracy, reliability or completeness of its recognized loss and estimated payout calculations, or for any action taken, or results obtained, from the use of its recognized loss and estimated payout calculations. Furthermore, you or your clients agree to release CCC from any claims, demands and damages (actual and consequential) of every kind and nature arising out of or in any way connected with CCC's recognized loss and estimated payout calculations.

Claims Pending

Claims listed below have been filed between 05/01/2012 and 09/28/2015 with the claims administrator and will remain "pending" until they are either paid or rejected. Please refer to CCC's disclaimer for an explanation of CCC's recognized loss and pro rata calculations.
